

Munsey Elementary School Vision

Our vision at Munsey is to be a caring, engaging, and achieving learning center valued by students, families, staff, and the community.

Munsey Elementary School Mission

Our mission is to create a peaceful community dedicated to engaging students in high levels of academic learning while developing leadership skills and socially-successful behavior.

School Goals 2023-2024

Literacy

Literacy rates will increase for all students by more than 1 year growth in ELA based on the STAR Reading assessment.

Math

Mathematical proficiency will increase for all students by more than 1 year of growth based on the STAR Math assessment.

ELD/Language

EL students will increase one language level as measured by the Summative ELPAC.

Attendance

Schoolwide attendance rate will increase toward a goal of 96%. Chronic absenteeism will decrease toward 15%.

SEL

Students will be respectful, responsible, and on task and will work to resolve conflicts through restorative justice practices.

Family and Community Engagement

We will increase connections and positive relationships with all parents and families.

Professional Learning Community

Through PLCs, we will focus on student learning, take collective responsibility for ALL students, and use data to drive our planning.
