School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

The School Accountability Report Card was established by Proposition 98, an initiative passed by California voters. As you read the Report Card, you will gain a better understanding of Harris as a school with a record for improvement, a faculty that is professionally skilled and personally committed to meeting the learning needs of students and a student body which is enthusiastic and motivated to perform well.

Harris School was named in honor of Caroline Payne Harris for her many years of dedicated service as a teacher and longtime principal. Harris School serves students in Kindergarten thru 6th grades. Currently, the school has an enrollment approximately at 539 students who come from primarily lower socioeconomic communities.

Vision- CAROLINE HARRIS ELEMENTARY

The Vision of Caroline Harris Elementary is revealed through constant growth in student achievement, enriched student behavior and community service. The community of Harris students, staff, and parents understand our vision to motivate students who will become both efficient learners and diligent citizens.

Mission – CAROLINE HARRIS ELEMENTARY

All staff at Caroline Harris Elementary are dedicated to teaching academics and the social skills that make any person successful in their endeavors. The mission of Caroline Harris Elementary is based on a deep commitment to collaborative work. Harris staff, students, and community will train, plan, and take action to constantly improve and learn. The focus of our work is on student learning. In the Harris Community, every day is a good day to learn something new!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

Harris School was built in 1959 and modernized in 2000. It sits on 9.69 acres of which 5.76 acres is playground. This school has 29 classrooms, a multi-purpose facility, library, learning center, therapist offices, staff/nurse room and a psychologist/speech room. The campus also has a staff lounge.

District Funds were used to provide and install 1 new relocatable classroom for new Dual Immersion Program.

The custodial staff adheres to a weekly cleaning schedule that includes classrooms, restrooms, cafeteria and kitchen areas.

The District's Mobile Maintenance Team visits the school site at least twice a year. Maintenance emergencies are addressed immediately. District personnel maintain the grounds at least once every two weeks.

This site also is maintained to ensure a clean, safe, and functional facility as determined pursuant to a Facility Inspection Tool developed by the State of California Office of Public School Construction.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: SEPTEMBER 2020

Overall Rating	Exemplary	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Staff, parents, and community members have many opportunities to work together throughout the year. Parent involvement represents an important strategy in promoting student achievement and attendance. Parent and Community involvement is needed to meet the diverse needs of our student population.

- Relationship Building Activities - Monthly Parent Cafes, Walking Wednesday, Helping Hands , Make & Take sessions, Zumba, and Mindfulness Mondays.
- Communication-- Teacher/Parent Report Card Conference, Phone Calls, Monthly Newsletters, Back-To-School Night, Quarterly Hawk Hero Assembly, Quarterly Perfect Attendance, PBIS Weekly Awards (#1 Hawk of the Week Award, Soaring Hawk Award, and Caught Being Good), Multi-Tiered System of Support meetings, Attendance meetings, 504 meetings, Title I and Title III Parent Informational Meeting, Spring Needs Assessment Survey, Classroom Newsletters, Class Dojo, marquee, School Messenger, Facebook, Twitter, Harris Website, and texts / emails.
- Volunteering-- Parent classroom helpers, chaperones for field trips, IMC volunteers, Carnival, Family Dances, Family Education Night Sessions, Movie Night, and Book Fair.

- Decision Making-- Parents are able to get involved in school and district decisions making by participating in School Site Council, District English Learner Advisory Committee, English Learner Advisory Committee, District Advisory Committee, Migrant Regional Advisory Committee, District African American Parent Advisory Council, Parent as Leaders, and African American Parent Advisory Committee . We also have an active Booster Club.
- Community Partnership- assist parents with Kern County Mental Health Services, Wellness Center, Homeless Shelter, Operation School Bell, Gleaners, Elks Luncheon, Toys for Tots, CHIPS (Christmas gifts for unfortunate), Love for Thanksgiving, and other community organizations to strengthen the supports offered to our students.
- Professional Development-- 6 Parent Ed. Sessions monthly, monthly Parent Cafes, and quarterly Family Education Nights.
- Parenting-- Loving Solution, CA Fresh, All Pro Dads, Dignity Health sessions, and Now We're Cooking (district sponsored) classes.
- Parent Involvement contact person is Mrs. Laura Prado (Family and Community Engagement Liaison) - pradol@bcsd.com .

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions						
Expulsions						

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.0	1.3	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Harris established its Comprehensive School Safety Plan in 1998. A law enforcement officer specializing in safety provided direction in the establishment of the School Safety Plan. Harris’s School Safety Plan is current and is updated annually. Key elements of Harris’s School Safety Plan include the following: (a) child abuse reporting procedures; (b) emergency disaster procedures; (c) suspensions and expulsion procedures; (d) teacher notification of pupils with a specific discipline history; (e) the district’s sexual harassment policy; (f) the student dress code; (g) safe entrance and exit procedures; (h) school crime data reporting procedure; (i) the civil defense and disaster plan; and (j) discipline rules and procedures. Our overall goal is to maintain a safe and orderly school environment conducive to learning. The plan was reviewed by staff on 2/20/2020 during Late Start and SSC approval on 2/18/2020.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

Professional development is designed to provide continuous learning opportunities for administrators, teachers, and classified personnel. Training opportunities affirm the basic philosophy of education that learning is a lifelong process that contributes to the well-being of the students, teachers, administrators, and community. Professional Development is an essential component of effective instruction and student learning.

All training revolves around identified needs of students and adults for the purpose of the improvement of instruction and increasing content knowledge. Central to all training are student achievement data, district focus areas, the Common Core State Standards, the state adopted standards-based instructional materials, and strategies to effectively teach the academic content standards to all students.

We also provided extensive professional development for Professional Learning Communities through our Service Delivery Model. On-site coaching and support is provided by academic coaches and district specialists for reading/language arts, mathematics, science, writing and social emotional learning. The district provides time and resources for collaboration, planning, and professional development. Additionally, we provided professional development on Multi-Tiered Systems of Support and Support to school and district teams.

Teachers new to the District received four days of professional development prior to the beginning of the school year focused on orientation to District and school site policies and services, Common Core State Standards, classroom management, curriculum and pacing, using technology and setting up the classroom. Teachers in their second year with the District received two days of professional development prior to the beginning of the school year provided by the school site and focused on improving best practices.

New teachers with California preliminary credentials received professional development through the Bakersfield City School District (BCSD) Teacher Induction Program (TIP). The focus of BCSD TIP is being mentored by an experienced teacher, growing in the California Standards for the Teaching Profession (CSTP) and meeting the California Induction standards. The culmination of TIP is the recommendation for the CA Clear Credential. Each TIP teacher was assigned a veteran teacher who served as a mentor. The mentors received on-going professional development in coaching/mentoring strategies, instructional strategies, and guiding cycles of inquiry. Professional development was provided through individual mentoring, monthly meetings, and after-school workshops.

Intern teachers received professional development at monthly meetings focusing on the initial teaching skills of the CSTP including classroom management, lesson planning, assessment, and establishing a climate that is conducive to student achievement. Each Intern was assigned a mentor that provided day-to-day support in these areas as well as advisement toward meeting credential requirements. Mentors received monthly professional development in meeting the needs of Intern teachers. Interns also received coursework and supervision from universities partnered with BCSD to provide the Intern Program.

Teachers on Short Term Staffing Permits (STSPs) were provided mentors and training on beginning pedagogy and best teaching practices. Each teacher on a STSP designed a plan to meet requirements to move to a CA Intern or Preliminary Credential. Support was provided for required testing and BCSD staff worked closely with university partners to ensure teachers on permits were taking prerequisite requirements to move to credentials.

Teachers on Provisional Intern Permits (PIPs) were provided mentors and training on beginning pedagogy and best teaching practices. Each teacher on a PIP designed a plan to meet requirements to move to a CA Intern Credential. Support was provided for required testing and BCSD staff worked closely with university partners to ensure teachers on permits were taking prerequisite requirements to move to credentials.
