2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

The School Accountability Report Card was established by Proposition 98, an initiative passed by California voters. As you read the Report Card, you will gain a better understanding of Evergreen as a school with a record for improvement, a faculty that is professionally committed to meeting the learning needs of students and a student body which is enthusiastic and motivated to perform well.

Evergreen Elementary School opened its doors in August 1997. It is located in southwest Bakersfield and serves students and families in prekindergarten through fifth grade; including specialized instruction for English learners and students who receive special education services. In the year 2000, Evergreen School was selected as Bakersfield City School District's "School of the Year". Evergreen offers a plethora of extra-curricular activities, including music, student government, oral language, academic pentathlon, spelling bee, and Battle of the Books. Fifth grade students visit CSUB and UCLA and fourth grade students visit one of the VT Ranch. Students in other grade levels may attend fieldtrips as determined by their teachers. As part of our Common Core State Standards implementation, students in all grade levels complete a project each year, which allows them to apply what they have learned in a personal, creative manner. All Evergreen classrooms are equipped with Smart technology, which includes smart boards, document cameras, microphones and LCD projectors. Students, staff and families have access to a Chromebooks and the library. Several incentive programs are implemented to promote attendance, academic achievement and desired positive behavior. Fifth grade boys and girls have the opportunity to be nominated as candidates to receive the Juliet Thorner Award, the O. D. Williams Award and the Fred Haynes Award. Evergreen implements a Positive School-wide Behavior Intervention and Support Framework (PBIS) to promote a positive engaging environment, with an emphasis on positive behavior and relationships. Through PBIS, students see models of and are rewarded for positive behavior. Students learn how to set goals and monitor progress toward those goals. Success is celebrated. Evergreen offers an extended day for students in grades 1-5, through an after school program which is provided by the Boy's and Girl's Club. Evergreen's motto is "College bound citizens soaring to success." We strive to provide a safe, positive and rigorous learning environment that holds students, staff, and families to high standards for learning and behavior.

2023-24 School Description and Mission Statement

Beliefs:

- All students are held to high academic expectations.
- Students will learn at higher levels if they are engaged in and actively participate in the learning.
- Accountability for academic achievement rests with all stake holders; staff, students, families and the community.
- Parents play an integral part in the success of their children and Evergreen School.
- Varied instructional approaches will best meet the needs of different learners.
- Character development and citizenship play an important role in the learning process and the learning environment.
- The ideas and input of all stake holders is valuable and plays a crucial role in the success of the school.
- The school, as a community of learners, will provide educational opportunities that will challenge all students and promote the pursuit of lifelong learning.

Mission:

Prepare all students to be College and Career ready.

Vision:

Students will become productive citizens Soaring to Success.

Motto:

College and Career ready Eagles Soaring to Success.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Evergreen School was built in 1949 and modernized in 2011. It sits on 7.66 acres of which 4.4 acres is playground. This school has 36 classrooms, a multi-purpose facility, library, instructional materials center, professional development room, learning center, after school center and a Pre-K classroom. The campus also has a staff lounge.

The custodial staff adheres to a weekly cleaning schedule that includes classrooms, restrooms, cafeteria and kitchen areas.

The District's Mobile Maintenance Team visits the school site at least twice a year. Maintenance emergencies are addressed immediately. District personnel maintain the grounds at least once every two weeks.

This site also is maintained to ensure a clean, safe, and functional facility as determined pursuant to a Facility Inspection Tool developed by the State of California Office of Public School Construction.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	11	16	13	15	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Evergreen staff recognizes parents as an essential element in each child's educational experience. Parent involvement promotes student achievement. Parents form a majority on all advisory committees such as the School Site Council and English Learners Advisory Committee and African American Parent Advisory Council. A Regional Parent Center is housed at Evergreen, which provides capacity building classes for parents of students at Evergreen and various other schools. Parents are encouraged to volunteer in the classrooms or for special projects or events, including field trips. Parents receive information through parent letters, automated phone calls, the school marquee and sometimes personal phone calls in English and Spanish. Informational meetings are held for parents throughout the year. English classes are offered in the evening, twice a week, with child care provided. All information is sent home in English and Spanish. A volunteer appreciation ceremony is held yearly, in the spring, to honor all volunteers. Family picnic days are also a great way to promote parent-staff-student interaction. For information regarding opportunities for parents, please call the Evergreen office at (661) 631-5930 and ask to speak with our FACE representative.

2023-24 School Safety Plan

Evergreen established its Comprehensive School Safety Plan in 1998. A law enforcement officer specializing in safety provided direction in the establishment of the School Safety Plan. Evergreen's School Safety Plan is current and is updated annually. Key elements of Evergreen's School Safety Plan include the following: (a) routine and emergency disaster procedures; (b) suspension, and expulsion procedures; (c) teacher notification of pupils with a specific discipline history; (d) child abuse reporting procedures, (e) the district's sexual harassment policy; (f) school crime data; (g) the student dress code; (h) safe entrance and exit procedures; (i) the civil defense and disaster plan; and (j) discipline rules and procedures. Our overall goal is to maintain a safe and orderly school environment conducive to learning. Plan was approved at SSC and reviewed with staff on February 16, 2022.

Professional Development

Professional development is designed to provide continuous learning opportunities for administrators, teachers, and classified personnel. Training opportunities affirm the basic philosophy of education that learning is a lifelong process that contributes to the well-being of the students, teachers, administrators, and community. Professional Development is an essential component of effective instruction and student learning.

All training revolves around identified needs of students and adults for the purpose of the improvement of instruction and increasing content knowledge. Central to all training are student achievement data, district focus areas, the Common Core State Standards, the state adopted standards-based instructional materials, and strategies to effectively teach the academic content standards to all students.

During the 2022-2023 school year, district professional development focused on supporting good first instruction and the use of core instructional materials in all content areas. In preparation of the school year, teachers were offered three full days of professional development sponsored by the district and additional dates at the school sites. Regularly scheduled follow ups and extensions to summer learning were provided throughout the school year. Topics addressed the use of core curriculum to support the Next Generation Science Standards, Foundational Reading Skills, Reading Comprehension, Using Manipulatives, Literature and Problem Solving in Mathematics, Project Based Learning and incorporating technology.

Professional Development

Additional support was provided by academic coaches and district specialists for reading/language arts, mathematics, science, writing and social emotional learning. The district provided time and resources for collaboration, planning, and professional development. Additionally, professional development on Multi-Tiered Systems of Support and Support to school and district teams.

Teachers new to the District received four days of professional development prior to the beginning of the school year focused on orientation to District and school site policies and services, Common Core State Standards, classroom management, curriculum and pacing, using technology and setting up the classroom. Teachers in their second year with the District received two days of professional development prior to the beginning of the school year provided by the school site and focused on improving best practices.

New teachers with California preliminary credentials received professional development through the Bakersfield City School District (BCSD) Teacher Induction Program (TIP). The focus of BCSD TIP is being mentored by an experienced teacher, growing in the California Standards for the Teaching Profession (CSTP) and meeting the California Induction standards. The culmination of TIP is the recommendation for the CA Clear Credential. Each TIP teacher was assigned a veteran teacher who served as a mentor. The mentors received on-going professional development in coaching/mentoring strategies, instructional strategies, and guiding cycles of inquiry. Professional development was provided through individual mentoring, monthly meetings, and after-school workshops.

Intern teachers received professional development at monthly meetings focusing on the initial teaching skills of the CSTP including classroom management, lesson planning, assessment, and establishing a climate that is conducive to student achievement. Each Intern was assigned a mentor that provided day-to-day support in these areas as well as advisement toward meeting credential requirements. Mentors received monthly professional development in meeting the needs of Intern teachers. Interns also received coursework and supervision from universities partnered with BCSD to provide the Intern Program.

Teachers on Short Term Staffing Permits (STSPs) were provided mentors and monthly trainings on beginning pedagogy and best teaching practices. Each teacher on a STSP designed a plan to meet requirements to move to a CA Intern or Preliminary Credential. Support was provided for required testing and BCSD staff worked closely with university partners to ensure teachers on permits were taking prerequisite requirements to move to credentials.

Teachers on Provisional Intern Permits (PIPs) were provided a weekly cohort meeting focused on beginning pedagogy. Two cohort meetings occurred weekly to allow teachers on a PIP to work around university course schedules. Support was provided for required testing and BCSD staff worked closely with university partners to ensure teachers on permits were taking prerequisite requirements to move to credentials.
