Flexible Benefit Plan Highlights for Bakersfield City School District

Plan Year: 10/1/2021 through 9/30/2022

Run Out Period: 12/31/2022

Existing Eligibility and Claim Submittal Deadlines:

Expense eligibility and claim submittal deadlines can vary by plan. We encourage you to visit our website, www.goigoe.com, to view expense eligibility. We also encourage you to set up an online account so that you can access a personalized timeline for expense eligibility and claim submittal.

Generally speaking, eligible expenses must be incurred during your active participation within the plan and/or within the Plan Year dates shown above (whichever period of time is shorter). If the plan you elect has the grace period feature, claims may be incurred through the Grace Period end date as shown in the Available Spending Accounts section (if applicable).

Claims for all plans must be submitted prior to the Run Out Period listed above. PLEASE NOTE: Should you lose eligibility to a plan within the Plan Year, claims must be incurred on or prior to your loss of eligibility and must be submitted by the Termination Submittal Deadlines as listed in the Available Spending Accounts section. If you lose eligibility for this program (for example, if your employment ends), this will impact how much time you have to incur expenses, charge expenses on your benefit card, and/or submit claims for reimbursement. For your convenience, a personalized spending and submittal timeline is available online via your personal account and on the Igoe Mobile App.
