The successful bidder shall not be held responsible for delays in the performance of the contract caused by strikes, lockouts, labor disturbances, lack of or failure by transportation, acts of the government or other causes similar to the foregoing which are beyond the control of and are not the fault of the bidder; provided however, that whenever the bidder shall claim that delays are due to any or all of the above-named causes he shall within five days after the occurrence of existing cause or causes of delay request extension of time from the Governing Board of the District; such request shall be in writing and shall state in detail the reason or reasons why the said cause or causes of delay will prevent timely delivery. If the Governing Board finds that extension of time equal to the delay resulting from such cause or causes creates a hardship for the district, the Governing Board may, at its option, rescind the contract. Delays due to supply issues are not acceptable.

7. This request does not commit the District to pay for any costs incurred in the submission of the bid or in making necessary studies or designs for the preparation thereof, nor to procure or contract for the services or material.

11. If an awarded bidder defaults, the District may procure the materials or services from other sources, typically the 2nd place bidder, and may recover the loss occasioned thereby from any unpaid balance due the bidder or invoicing the successful bidder, by deducting the amount from future invoices, or by suit against the bidder. The prices paid by the District shall be considered the prevailing market prices at the time such purchase is made.
12. In connection with the execution of this contract, the bidder shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, or national origin. Notice is hereby given that the District will not honor any assignment made by the successful bidder unless the consent in writing, as indicated above, has been given.
16. In the event of litigation, the bid documents, specifications, and related matters shall be governed by and construed in accordance with the laws of the State of California. The venue shall be with the appropriate state or federal court located in Kern County.
