Bid opening: 05/22/24 at 11:00 a.m.

All items noted, or their equal will be considered and it is imperative that bidders clearly identify the brands, product numbers, package quantities, and unit prices for the items bid. Any price increases must be a result of and evidenced by documentation supporting mill price increases. At no time shall an increase exceed five (5) percent from the original bid price. A successful bidder shall not be relieved of the bid submitted without the District's consent or the bidder's recourse to Public Contract Code Section 5100 et seq. No bidder may withdraw a bid for a period of sixty (60) days after the date set for the opening of bids.
3. All prices or notations must be typed or written in ink on the B.C.S.D. bid sheets. Bids not presented on the provided form shall be disregarded per Public Contract Code 20111.5. 8. The delivery date of supplies, equipment, or services shall be as specified on the district's Purchase Order, 30 days or less from the date of the Purchase Order.
9. The successful bidder shall not be held responsible for delays in performance of the contract caused by strikes, lockouts, labor disturbances, lack of and/or failure by transportation, acts of the government, or other causes similar to the foregoing which are beyond the control of, and are not the fault of the bidder; provided, however, that whenever the bidder shall claim that delays are due to any or all of the above-named causes he shall, within five days after the occurrence of existing cause or causes of delay, request extension of time from the Governing Board of the District; such request shall be in writing and shall state in detail the reason or reasons why the said cause or caused of delay will prevent timely delivery. If the Governing Board finds that extension of time equal to the delay resulting from such cause or causes of the Governing Board may, at its option, rescind the contract.
10. Alternate supplies, equipment, or services will be considered. The Board of Education reserves the right to be the sole judge of the merit and suitability of such supplies, equipment, or services. The use of the name of a manufacturer, or any special brand, make, or model number, in describing any items in the Bidding Documents does not restrict bidders to that manufacturer of the specific article. An equal of the name product will be given due consideration. Specifications or model numbers from manufacturers are included in this bid for clarification purposes.
11. ***All paper being submitted for the bid must contain bid specification on the label, (i.e. line item, brightness, size, weight, etc.) A sample ream or package must be submitted for each item that is bid by the vendor when it is not bid as specified with the exception of the bid item 132401. A minimum of 10 reams must be submitted for bid item 132401. Failure to submit a sample by May 8, 2024, may be considered reason for disqualification of the bid.***
12. All items which have an asterisk (*), must be delivered palletized for tailgate delivery with notification to our warehouse 24 hours in advance of delivery.
13. Pursuant to Public Contract Code Sections 20118 and 20265, other school districts, public agencies, political subdivisions, municipalities and tax-supported agencies in the State of California, including but not limited to Cities, Counties, County Office of Education, State Agencies, and Public School Districts may purchase products and/or associated alternates under same terms and conditions of this bid. The District waives its right to require other districts to draw their warrant in favor of the district and authorizes each district/agency to make payments directly to the successful bidder.
14. Bidders have the option to accept or decline this piggyback option on a per-request basis.
15. This request does not commit the District to pay for any costs incurred in the submission of the bid or in making necessary studies or designs for the preparation thereof, not to procure or contract for the service or material.
16. Each bidder must return a fully executed Non-Collusion affidavit, as required by Public Contract Code section 7106, with the completed bid proposal. The noncollusion affidavit is included in this bid package.

17. Should any bidder question or protest the award of contract to the apparent low bidder(s), such question or protest must be furnished in writing to the Director of Purchasing no later than three (3) working days following the date of bid opening. Such submittal must fully explain the basis of the objection supported by all relevant information, facts, and details. Letter must be signed by an authorized representative stating specific reason(s) for the protest including all relevant facts (law, rule, regulation, and criteria). Bid protests will be reviewed by the Director of Purchasing and the Assistant Superintendent of Business Services. The affected proposer will be given an opportunity to rebut the evidence and present evidence that the proposer should be allowed to perform the work. The District will issue a written final decision within fifteen (15) days of receipt of the protest unless factors beyond the District's reasonable control prevent such resolution.
18. Per Public Contract Code Section 20117, if two or more bids are identical in all respects, the district may determine by lot which bidder will be awarded the contract or the vendor who has offered the most consistent service and reliability in the past. This requirement applies to competitive bidding for the purchase, sale, or lease of real property, supplies, materials, equipment services, bonds, or the awarding of any contract.
19. If an awarded bidder defaults, the District may procure the materials or services from other sources, typically the 2nd place bidder, and may recover the loss occasioned thereby from any unpaid balance due the bidder or by proceeding against a bidder's bond, if any, or by suit against the bidder. The prices paid by the District shall be considered the prevailing market prices at the time such purchase is made.
20. In the event of litigation, the bid documents, specifications, and related matters shall be governed by and construed in accordance with the laws of the State of California. Venue shall be with the appropriate state or federal court located in Kern County.
21. The vendor shall hold the DISTRICT, its officers, agents, servants, and employees harmless from liability of any nature or kind whatsoever, on account of use by the publisher or author, manufacturer, or agent, of any copyrighted composition, secret process, patented or unpatented invention, article of appliance furnished or used under this bid.
22. The Board of Education reserves the right to reject any or all bids and to waive any informality in the bidding.
